

clock - Time.

- when Sinclair already has
skeletons
- when "Aftermath"

Alt take 1

① "man it's been so long since I've been waiting"
- "yeah man tell us about it"

④ "Who knows, I bet some people have it worse than we."
"What are you here for?"

② "I've been waiting here for around 33 hours and I haven't got my turn yet"

⑤ "oh I came here to visit my daughter. She broke her ankle you see."
↓
I see I see.

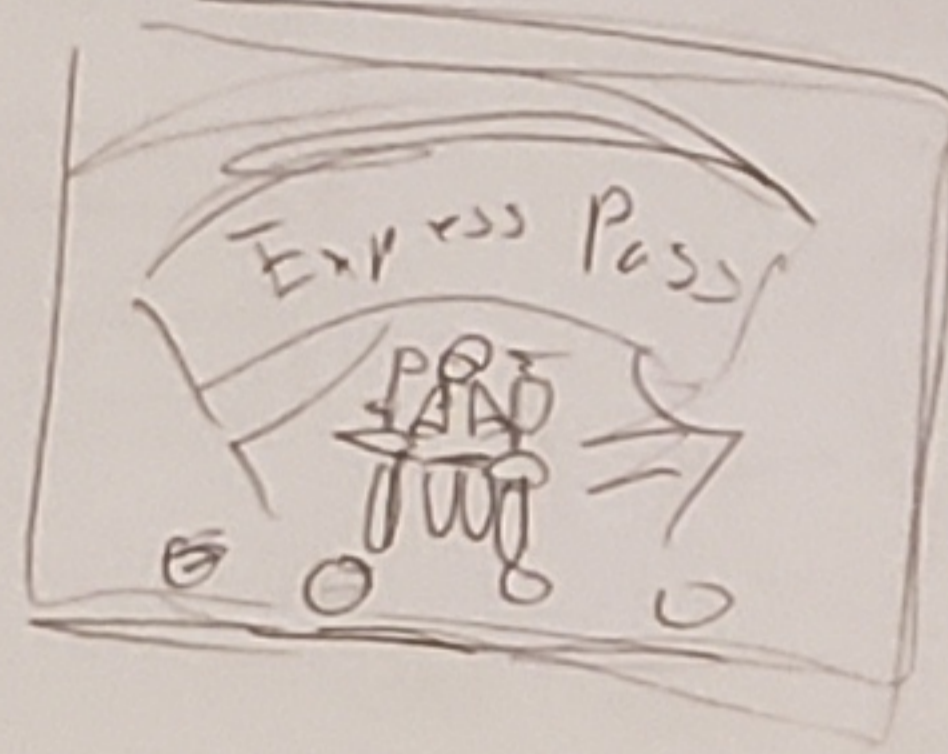

③ "Are damn that sucks, did anyone get to you yet?"
"Actually yeah, a receptionist wrote me a referral and I still haven't gotten it yet"

⑥ "Well I bet he going now, keep safe route! Hope you manage to see someone soon."
- See ya.

HILION

"Tired of waiting?"

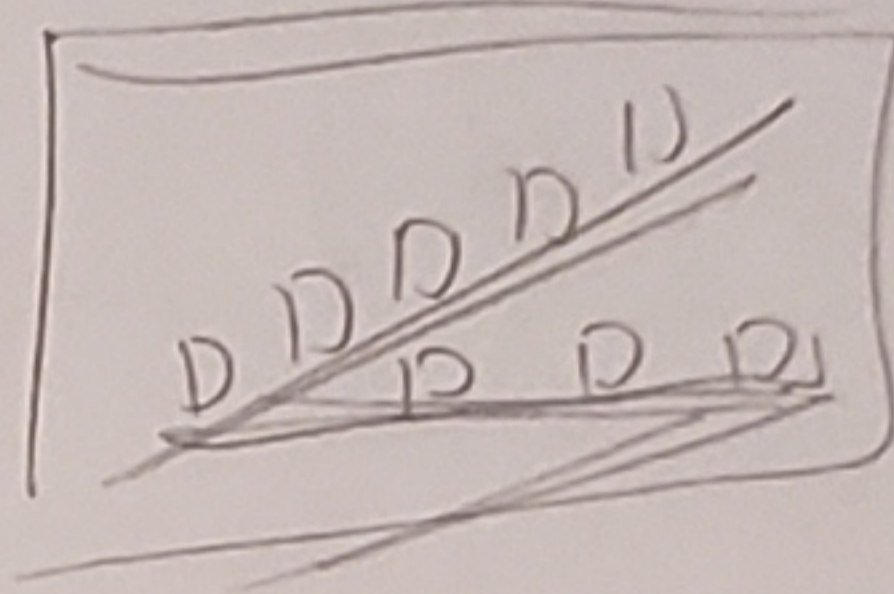

See if you qualify for an express pass in the hospital! **ALT take 2**

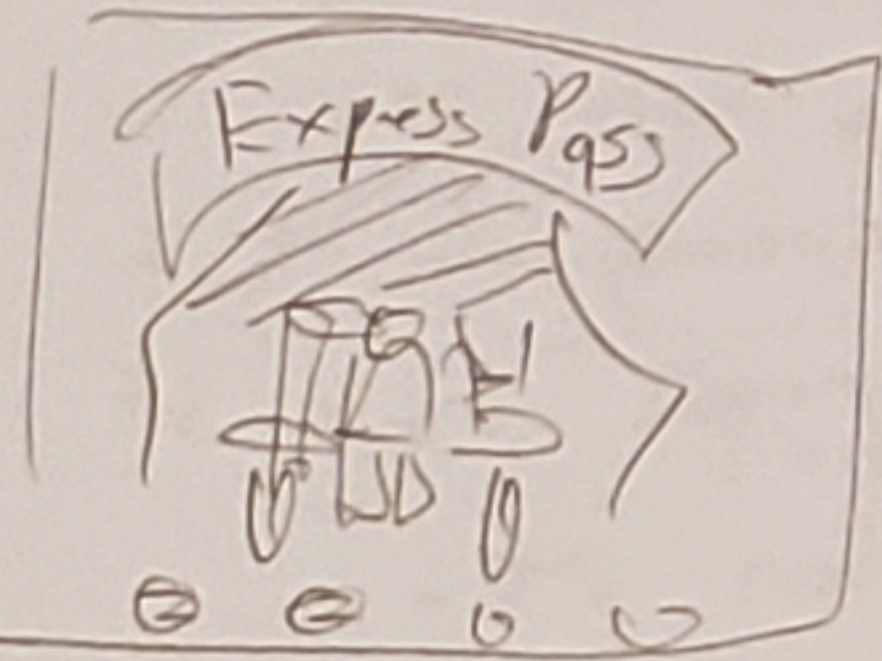

do you have a serious injury?
Yes/No

Aw that's too bad, try again next time!

factory? live? production?

Are you above the eye of 21?
Yes/No

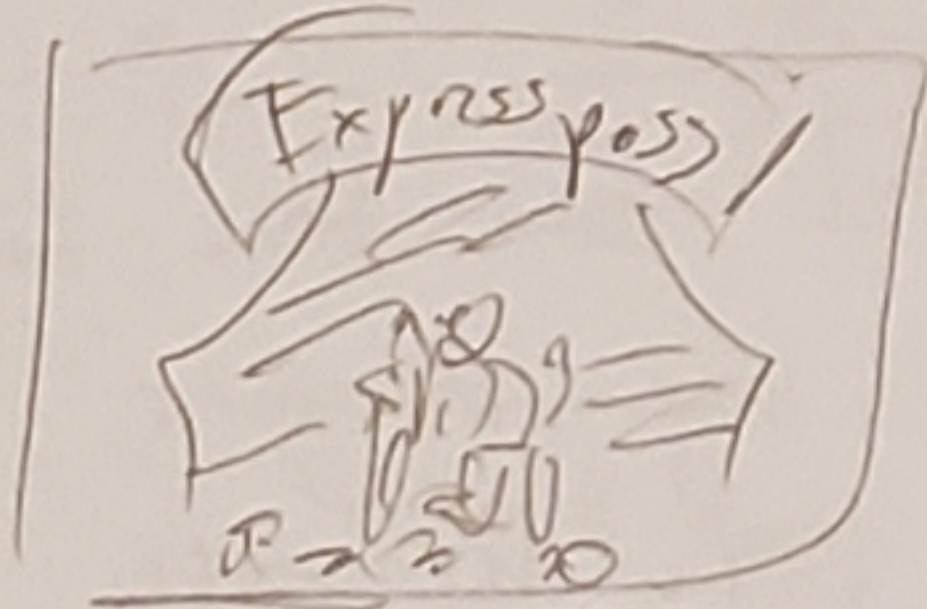

- Hey the law you doing today?

ALT 3

- doing good. Just came to the ER for a sprained ankle.

- Mr. Johnson that's me. hope you get in soon.

Do you need a heel?
Yes/No

- Hey the what are you looking for?

- I can't get some paint kilns.

- Mrs. Smith that's me. see ya.

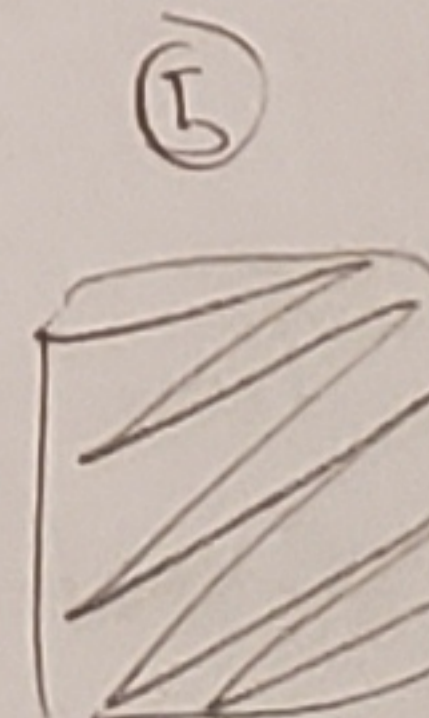

wheeled away

Are you indigenous?
Yes/No

- Wonder when I'll get in...

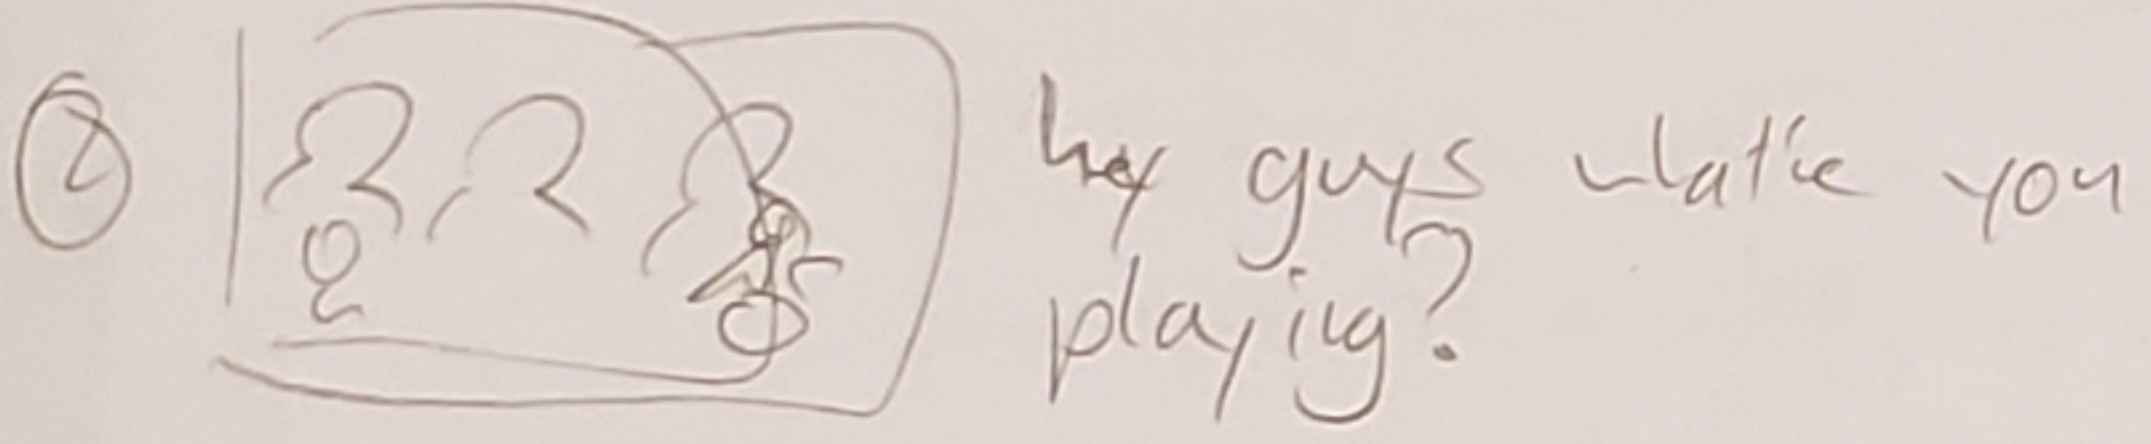

- end card.
- https://uall

repeats with different people

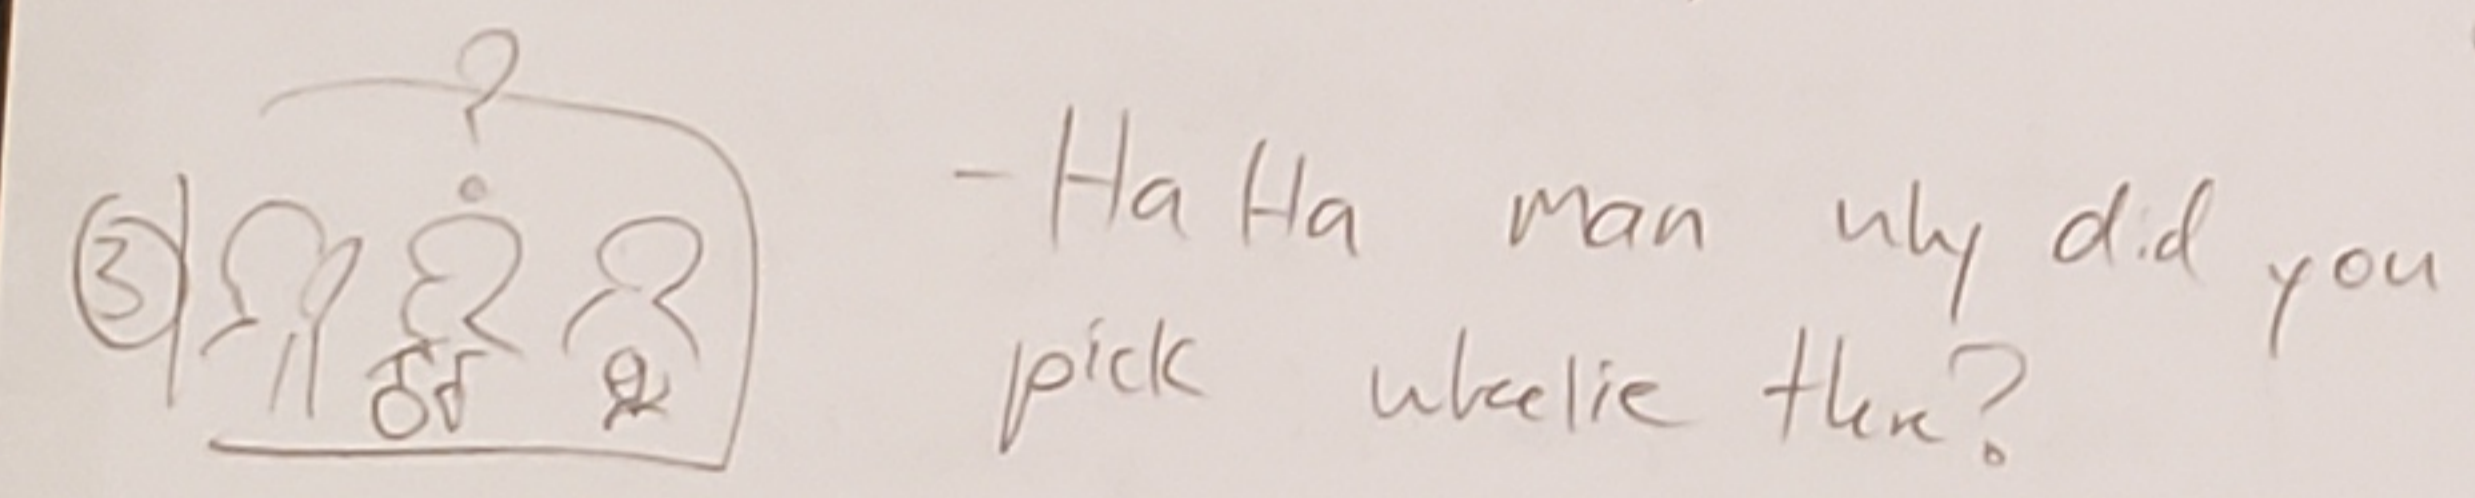

- action figures **ALT 4**

- explain why it sucks.

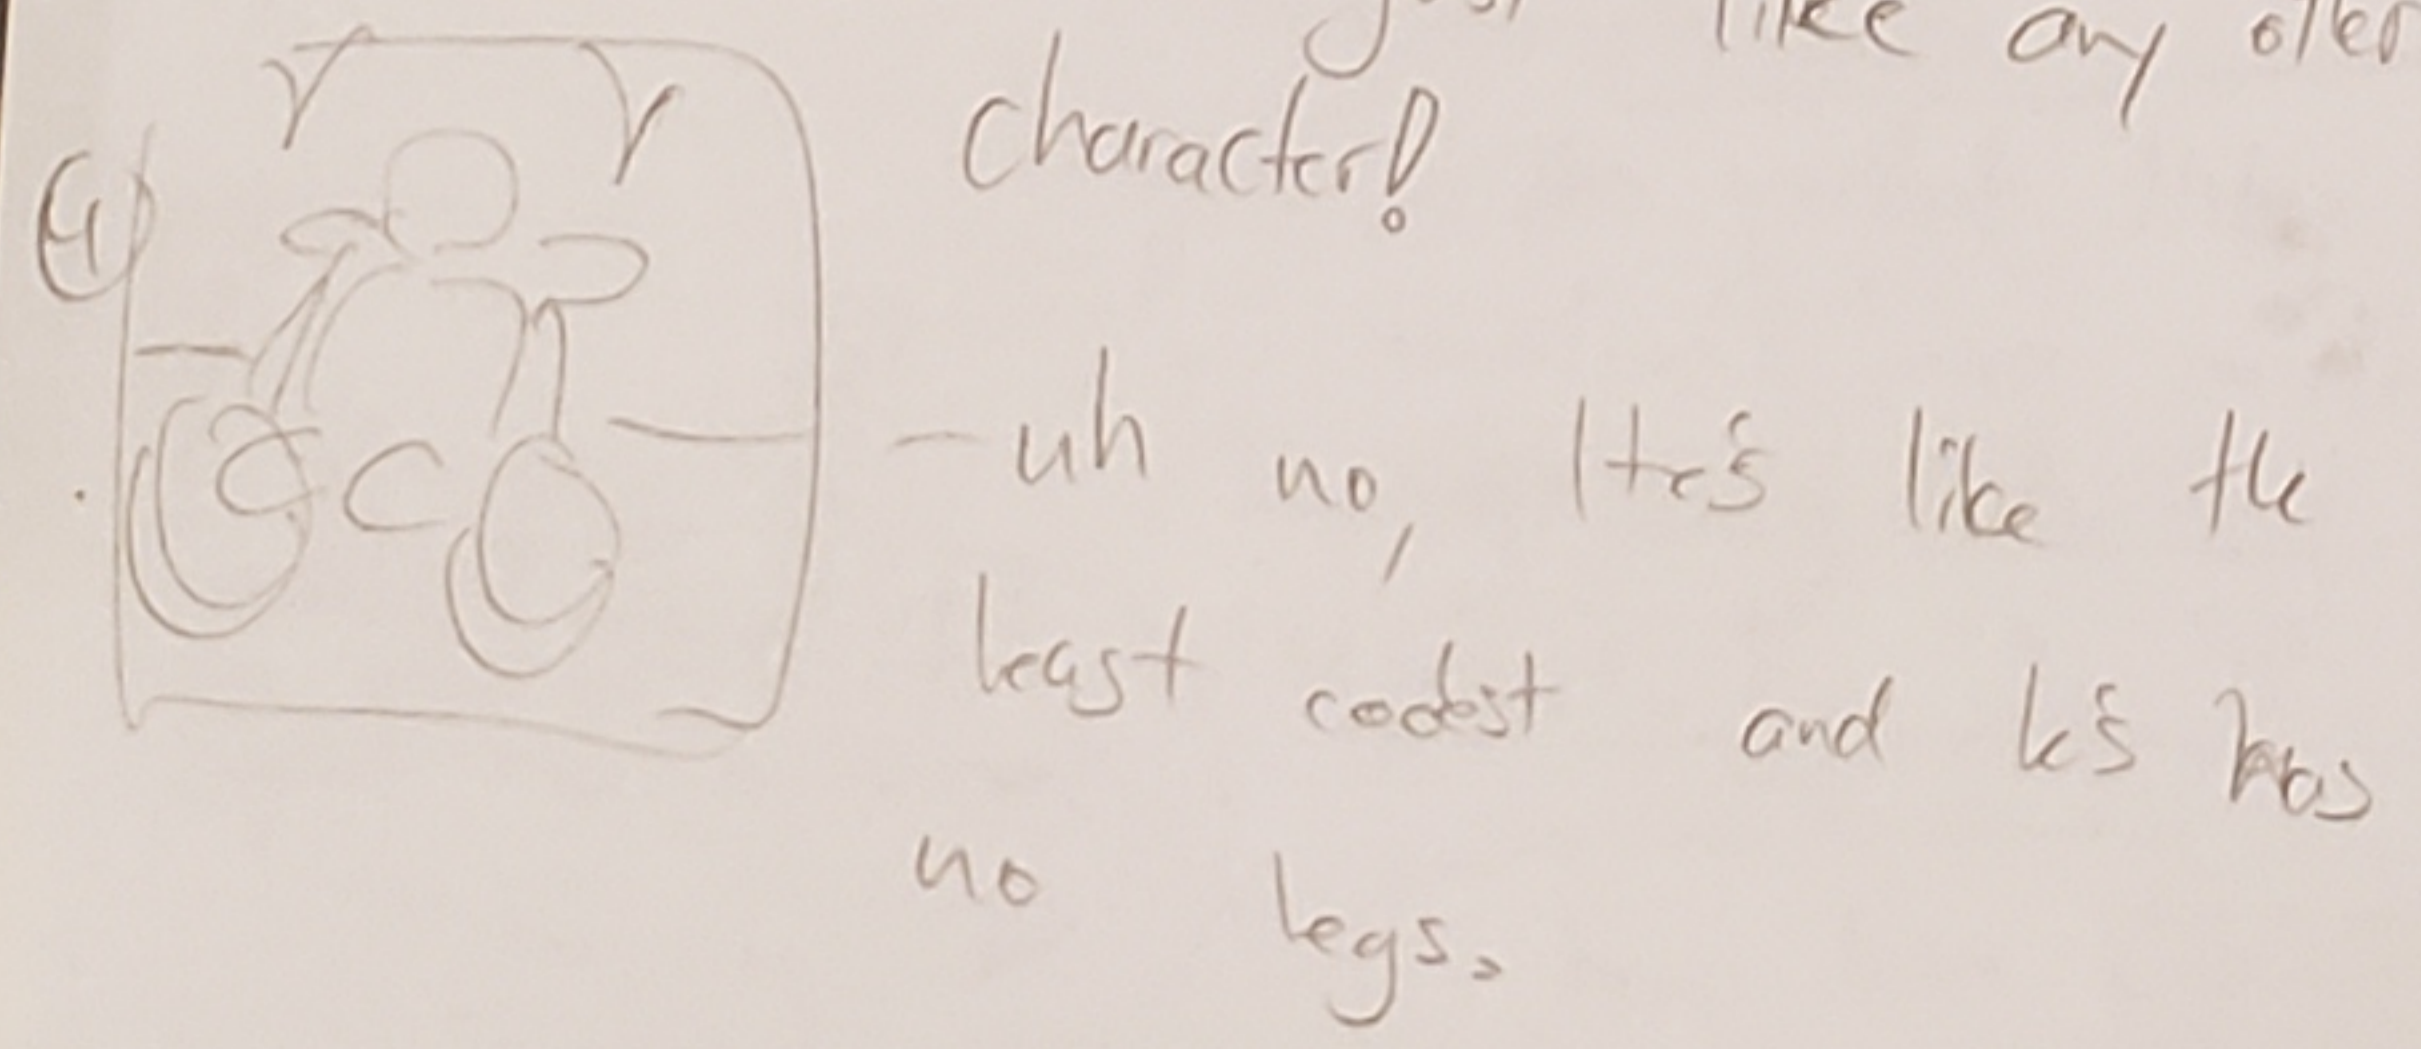

- We're playing ER, you wanna join?

- Sure! - picks Sinclair figure

- What's wrong with him? He's just like any other character!

5 - What's wrong with that?
- Not only is he uncool and a double amputee, the chances to get meds are much harder too.

- well why's that?

6 - He has this trait called Indigentous peoplos, which makes it so that he has the lowest priority in the ER room!

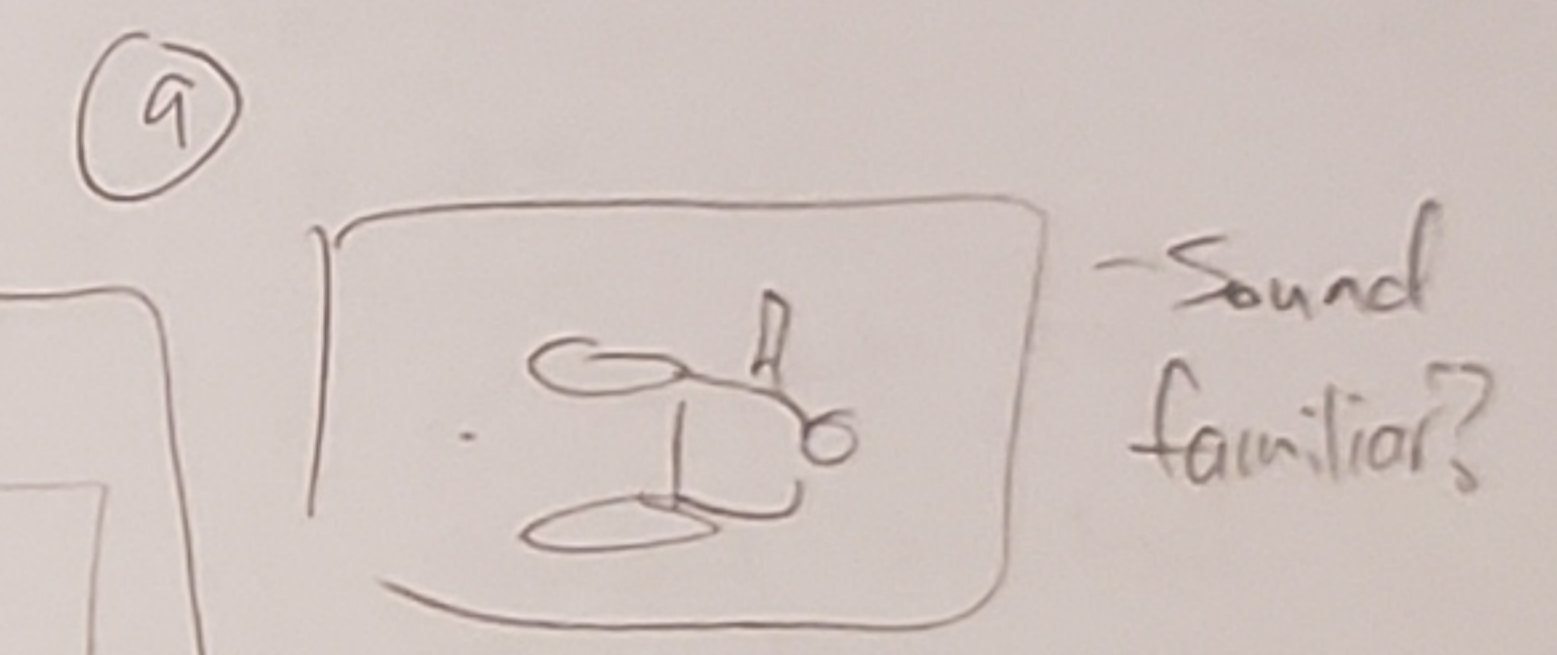

- yeah that is pretty bad.

7 Do you have any other characters?

- you can be the doctor then, and pick who you want to see.

- can I see wheelchair first then since he's the only one that's in the waiting room?

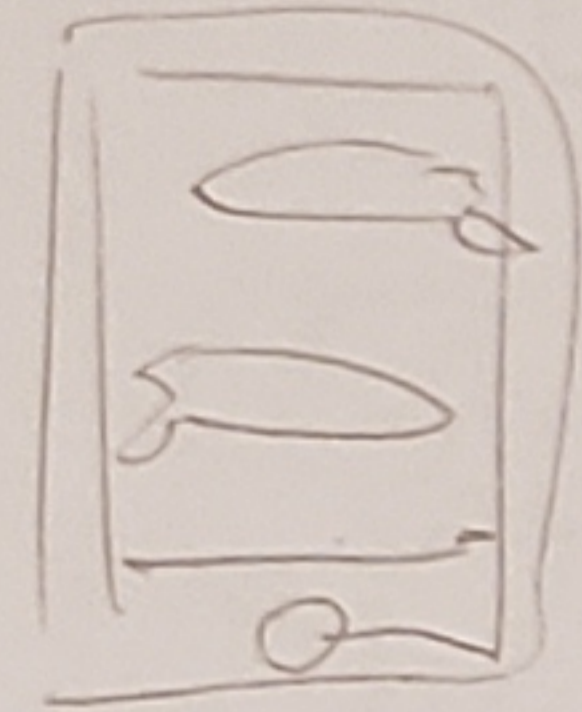

8 Sorry dude, a new player has entered the ER, gotta treat him first!
- Aw man!

HUION

ALT 5

- Hey man you good?

7:00am

Yeah I'm fine,
just at the ER
Lol sprained my ankle

7:10am

you okay dude?

Let me know if
you need anything

7:11am

Thanks man.

7:13am

This sure is taking a
while.

7:40am

chill dude, it's
the ER. I'm
sure everyone's
busy.

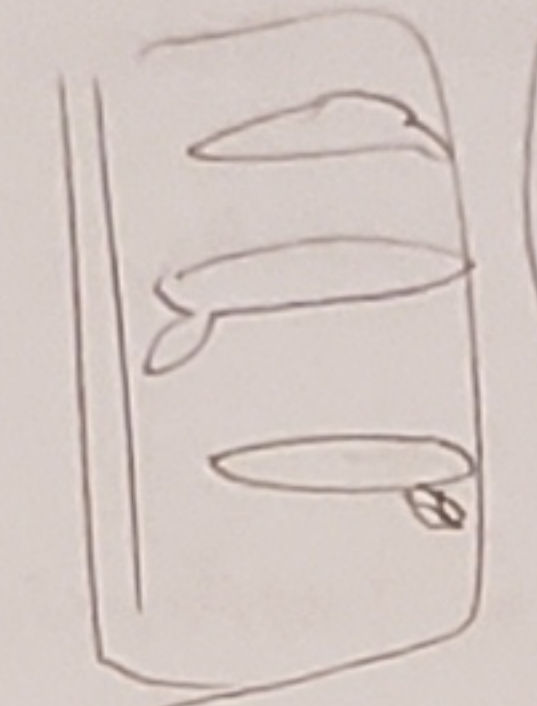

7:45am

Yeah you're right.

See you soon.

8:00
am.

cont. →

Hey dude I'm still
stuck at the
ER lol

11:37am

Seriously? Are you
doing anything atm?

11:45am

Nah, but there's this
guy in a wheelchair
and he isn't looking
too hot. Asked for
some help from the staffs

12:05pm ✓

Hope that guys okay.
Why're you helping a
stranger anyway?

12:30pm

Dude's been waiting
for hours man
gotta help a brother
out ya know

12:35pm

Says he's been
waiting for an
entire day.

What? loldd no
way dude, that's
probably BS.

12:40pm

Idk man. But I
got a checkup soon,
will see you later.

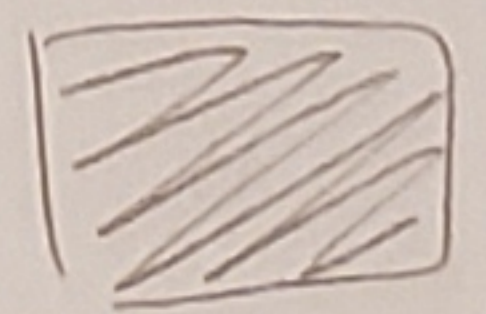

12:53pm

Back from checkup,
but the wheelchair guy
is still there. He isn't
moving at all, probably
asleep.

3:30pm

still talking about
him man? Du bout
him I'll pick you
up at 4.

3:35pm

end card

IDK man,
seems a bit fishy.
See you at 4.

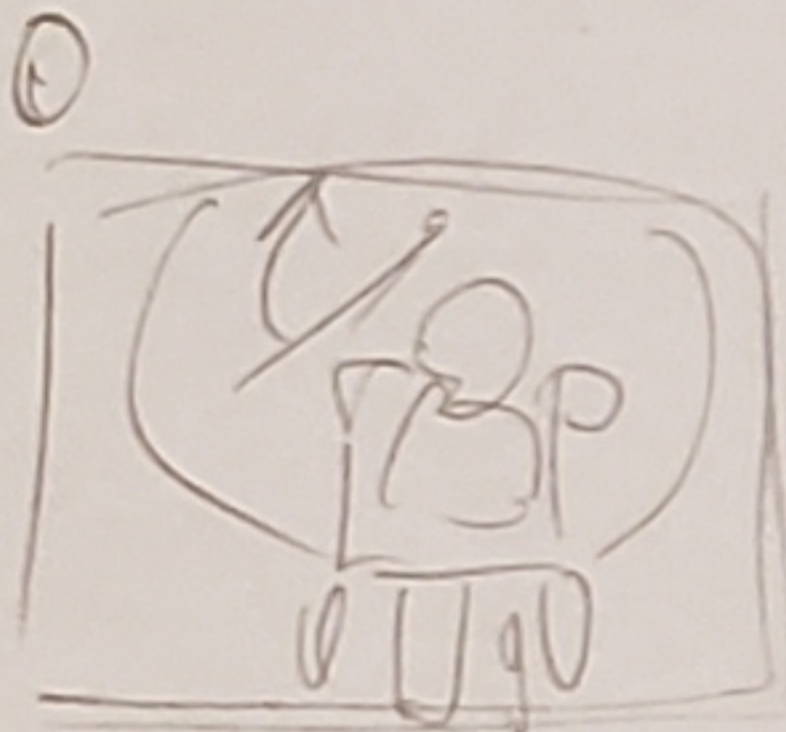

13:40pm

NOIINH

ALT 6 → personal PSA

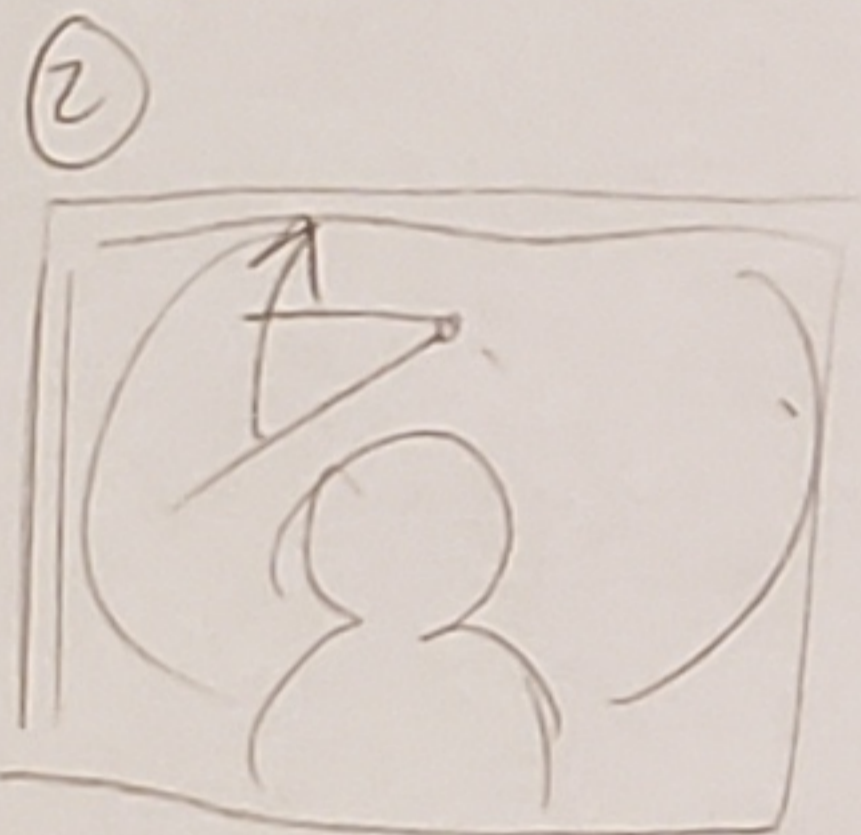

Time, subtly worse.

My bond of sister progressively getting worse.

- They said the wait wouldn't be too long

- I got a letter for transfer and I was all ready to go.

- slowly but surely I thought I was gonna be okay.

- But I got ignored as time went on

= I was dying from an infected bladder you see.

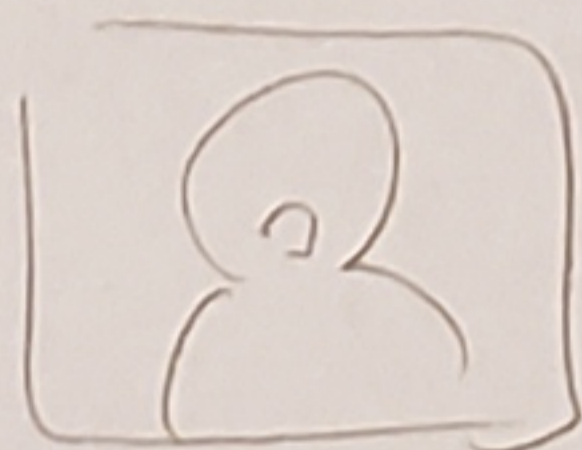

- The thing I didn't understand you see, is.

no matter how many times I asked for help or had people try to get help for me, why were we ignored?

I wouldn't want to think it was because of racism but the people that arrived after we were seen first.

what do you do when you have a voice but no one will listen?

End Indigoo racism memo

NOIHH

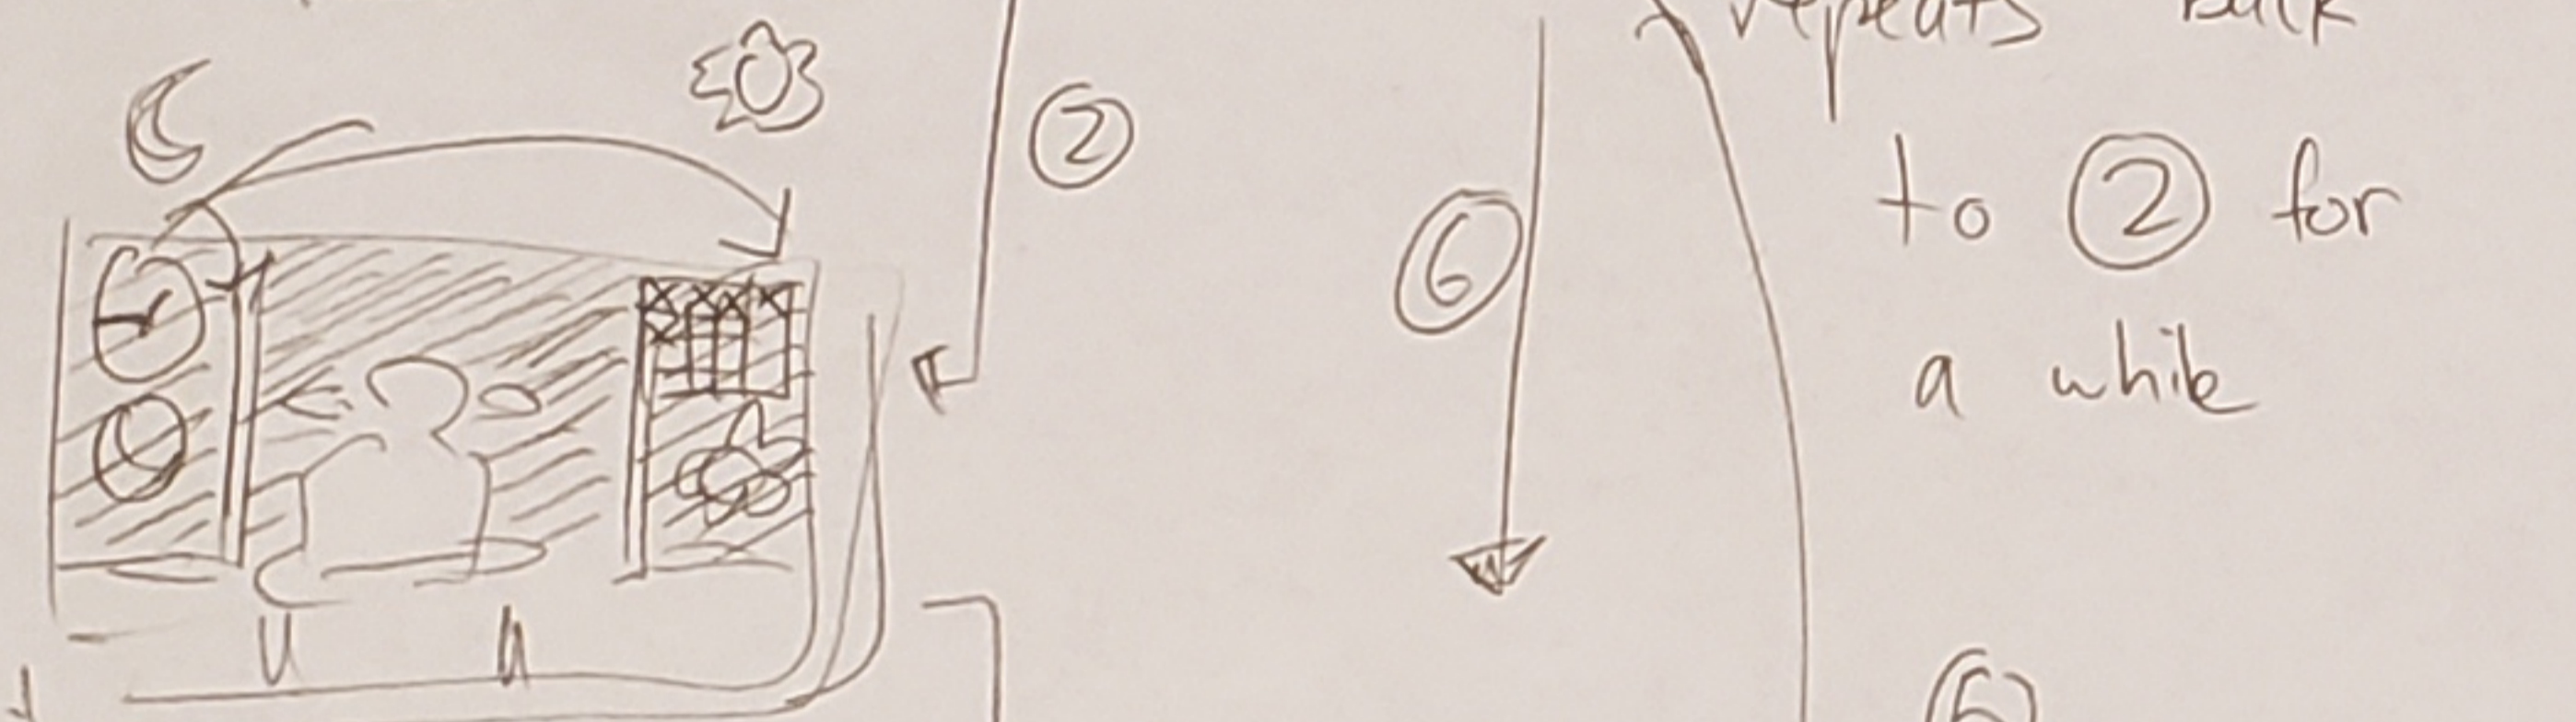

ALT 7 - "silent story"

Take away message: not everyone gets treated equally.

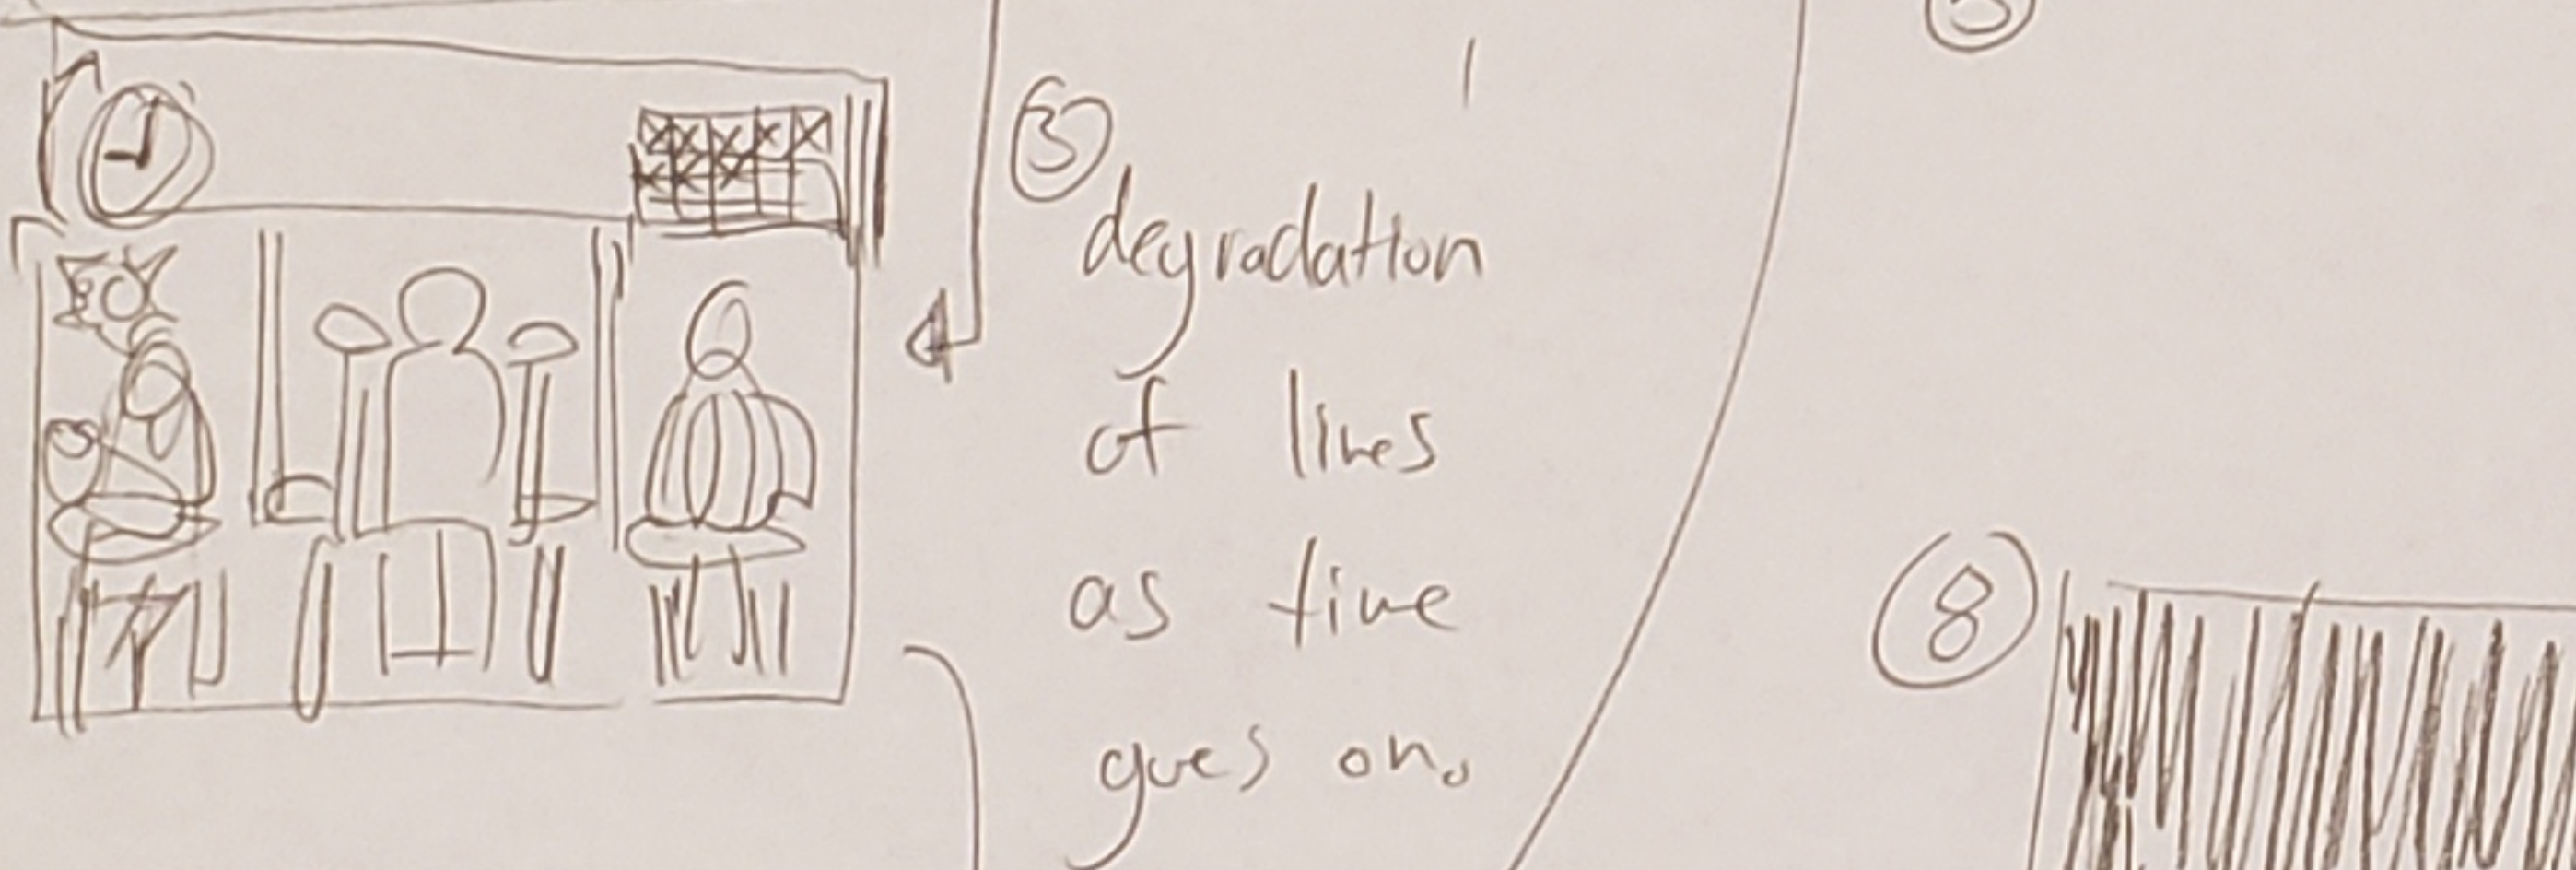

ff other people come and go.

① Sounds clock ticking.

repeats back to ② for a while

③ degradation of lives as time goes on

fade to pencil black.

Some people don't get the same quality of health care.

↓
An example was Brian Sinclair ...

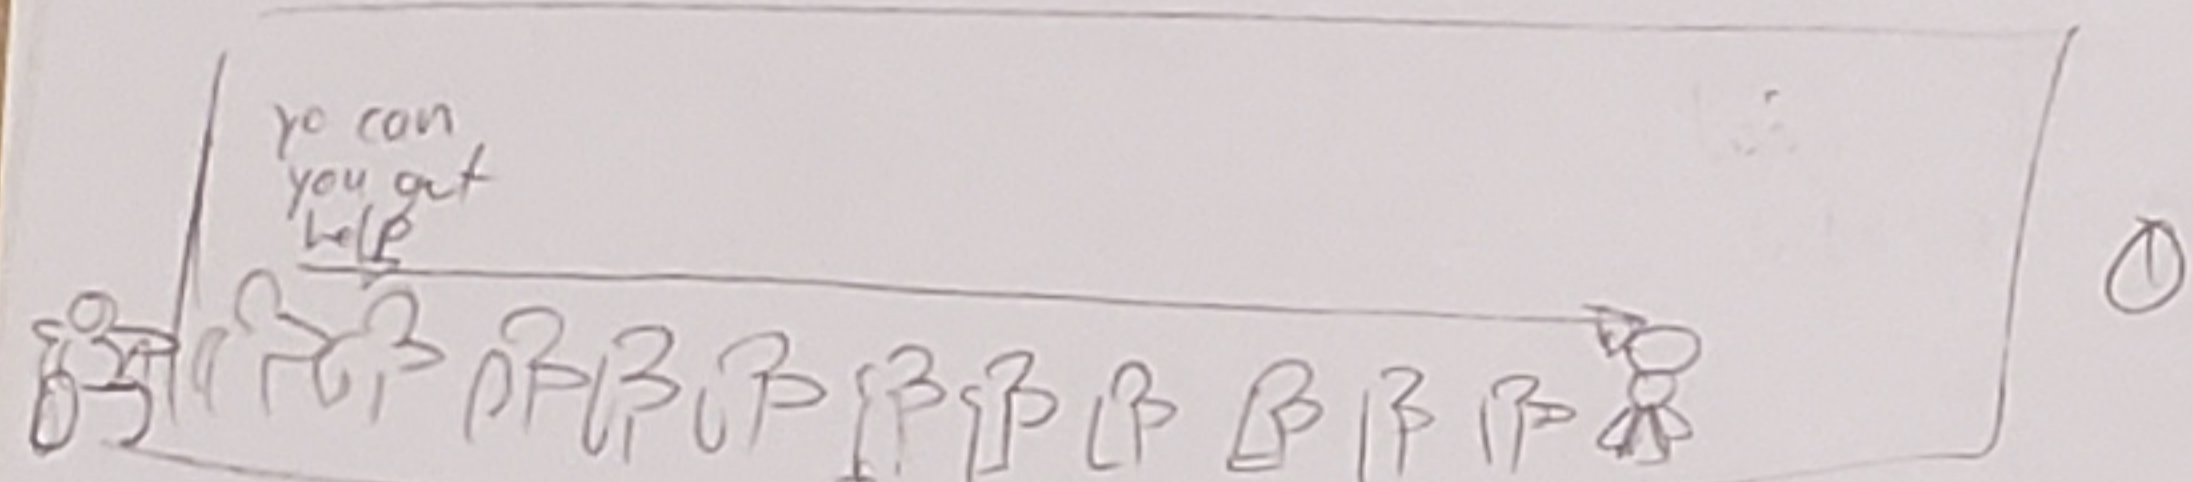

Bridge the gap
Stop Indigenous racism

ALT 8

degradation, etc. ask.

hey or you get some help

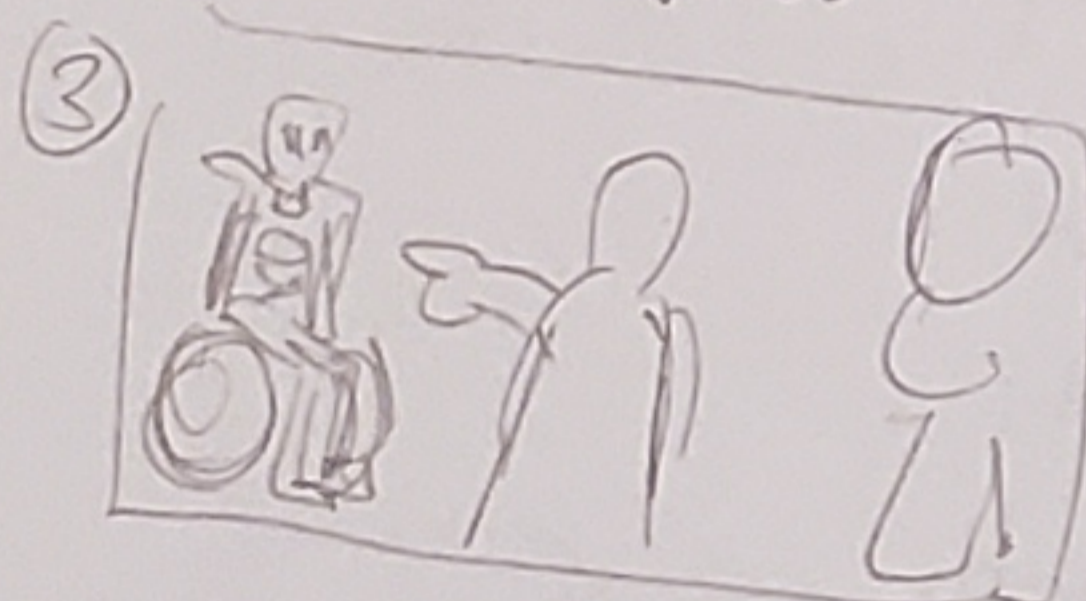

help help - stream of asking for help

who's the patient?

how does this show racism?

shows time progressing

I think I'll see someone else

Comedic

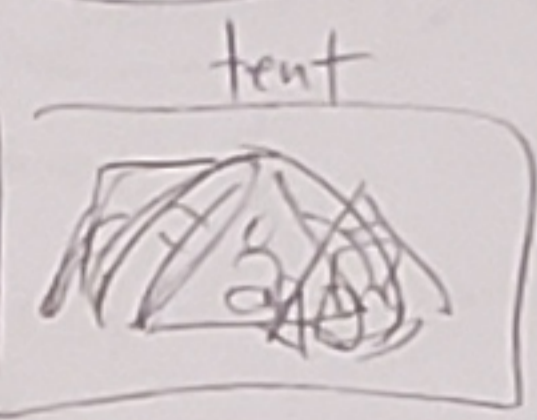

end card.

ALT 9

"campfire story"

camping at the ER

tent

other patient

A "What are you doing sir?"

B - waiting for my turn to see the doctor.

A and you're camping?

B - yeah; I heard from a friend about the long wait times.

throat gulp what does your friend say?

B mm... just an old story, but there been a guy that waited to see the doc and waited for 33 hours

A - health that's insane... what happened to that guy?

B - well he came in with a bladder infection apparently and he's been waiting ever since...

A Is he okay? Did anyone contact the doctors?

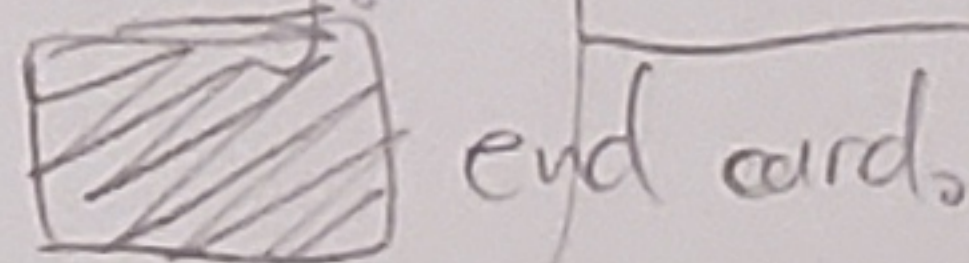

B people say they did but then doctors showed no response, just let him die.

A what was his name?

B Good ol' Brian Sinclair.

nurse: we're ready to see you sir

B well, best be going, you hang in there buds.

end cards

ALT 10

"excuses"
protog writing
protog > Sinclair } draw that
difference of
opinion.
bladder infection

I have a
bladder infection

So what are
you guys
here for

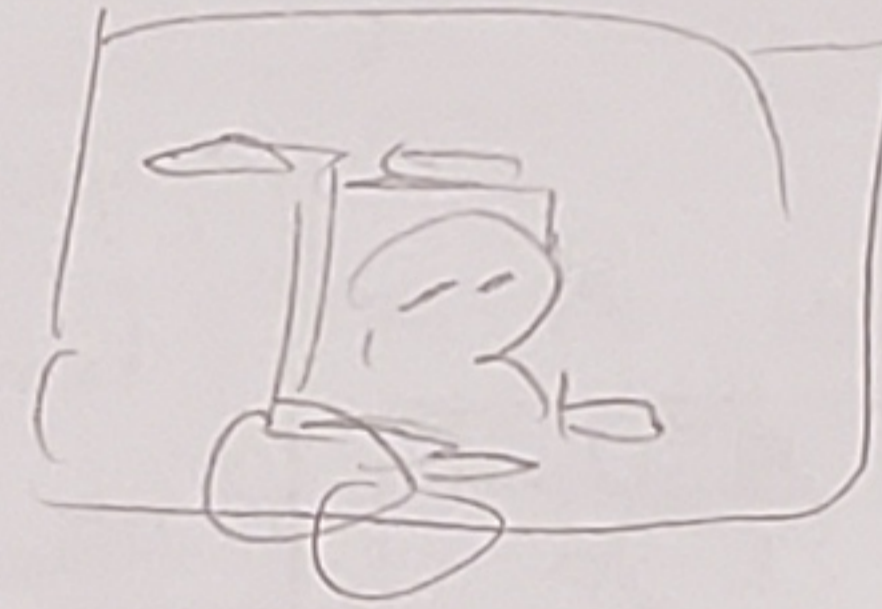

Monday, 2:30

- See ya, round
- Sinclair. Hope you
get in soon.

I hurt my
head

repeats
x3.

- Hope I get in
real soon yeah... ..

- wake up.

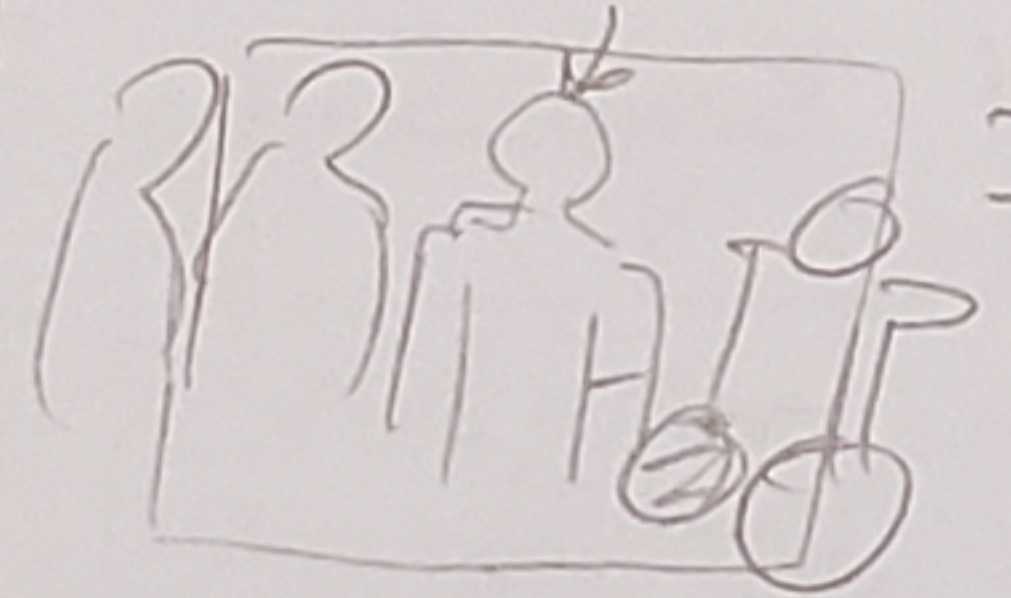

I sprained my
ankle

- Is it my time yet
nurse?

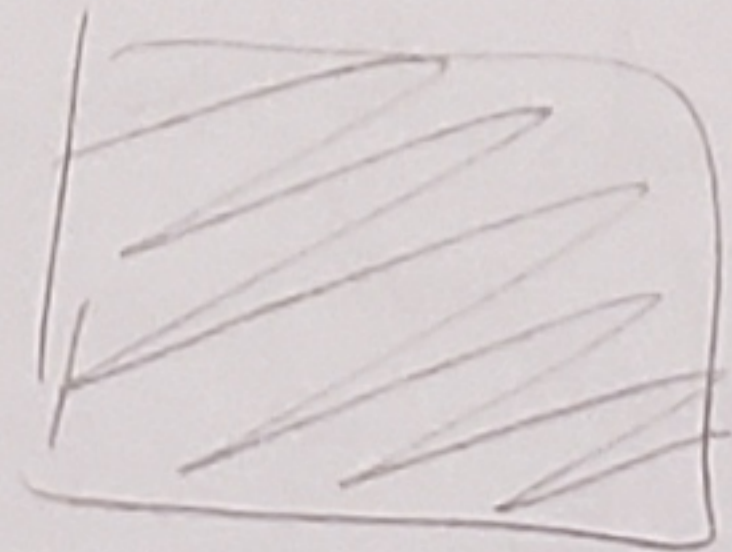

- just a little.

I got out bad

- I'm sure it won't take
longo

- Brian Sinclair
died after he
fell asleep -
